The Iconic Polo. Redefined by design.

Explore our premium polos, made from 100% organic cotton for superior quality, timeless style, and a soft handfeel. Now available in an extended colour palette, they're designed to perform perfectly in both lifestyle and corporate settings. Crafted from pre-washed fabric, each polo offers optimal shrinkage control and a reliable fit, wear after wear.

Alongside our Iconic unisex Prepster Polo, we introduce the Stella Coaster, a gender- fitted style ideal for warm weather and active environments, forming a perfect match with Stanley Coaster.

Stella Coaster

Fitted

Naturally soft. Sharply tailored. Distinctive shirts by design.

Where modern cuts meet timeless appeal. Each shirt is crafted from the finest 100% organic cotton for a soft yet durable finish. With inclusive sizing, gender-aligned fits, and heavier fabrics ideal for embroidery, this range delivers standout comfort, refined versatility, and premium quality. Available in both tailored and relaxed silhouettes, these shirts are designed to elevate any corporate need.

Outerwear with purpose. Comfortable and high-performing.

Women's outerwear that moves with purpose. Lightweight yet protective, contemporary yet timeless. Each piece is crafted from GRS-certified 100% recycled polyester or nylon, reinforcing our commitment to reduced environmental impact. Engineered for performance, the range offers reliable protection: wind-resistant, water-repellent, and breathable. With modern silhouettes, refined detailing, and decoration-ready access, it delivers comfort, elegance, and versatile layering in every wear.

We believe that the textile and garment industry can act in a responsible way, caring for people and the planet. This conviction drives our full commitment to sourcing organic cotton, reducing our carbon footprint, and advocating for fair living wages for workers. We know these commitments also deeply resonate with you.

Thank you for joining us on this journey and for sharing your support, enthusiasm, and ideas. If you'd like to find out more about our path to sustainability or get involved:
